

## Child's Privacy Notice - Primary

Your parents (or carers), often make decisions for you to take good care of you. In our schools we also want to take good care of you.

We have asked your parents if they are happy for us to do the following:

Put your name or photo in a newspaper

Put your name or photo on our websites (or in our newsletters)

Sharing your data with school clubs and other fun activities

Please tell your parents how you feel about the decisions that they have made for you.
