

**GEP Admissions Policy
Fullbrook
2020-21**

Responsible Committee: GEP Board of Trustees

Responsible Officer: Chief Executive Officer

Reviewed: January 2019

Board Approval Date: 7th February 2019

Policy Type: Statutory

Implementation Date: 28th February 2019

Publication: Website

Review Cycle: Annual

Next Review Date: January 2020

We seek to be a network of schools where every pupil receives the best possible education

Allocating Places

Applications for Fullbrook School must be made by 31 October 2019. Places at Surrey secondary schools, including Fullbrook School, will be offered on the basis of the preferences that are shown on the application form. Parents will be asked to rank up to six preferences and these will be considered under an equal preference system.

Children with an Education, Health and Care Plan that name Fullbrook School will be allocated a place before other applicants are considered. In this way, the number of places available will be reduced by the number of children with an EHCP that has named Fullbrook School.

The admission number for Year 7 is 240. In the event of over-subscription, places will be allocated in 2020/21 in the following order:-

1. Looked After and Previously Looked After Children
2. Exceptional Circumstances
3. Sibling(s) at the school at the time of the child's admission
4. Children of Staff
5. Children living within the admissions area
6. Children who live outside the admissions area

ADMISSIONS POLICY

1. Looked After and Previously Looked After Children

Looked after and previously looked after children will receive the top priority for a place. Looked after and previously looked after children are those who are registered as being in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a), e.g. fostered or living in a children's home, at the time an application for a school is made; and children who have previously been in the care of a local authority in accordance with Section 22 of the Children Act 1989(a) and who have left that care through adoption, a child arrangement order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989).

Places will be allocated under this criterion when places are first offered at a school and the local authority may also ask schools to admit over their published admission number at other times under this criterion.

2. Exceptional Circumstances

Occasionally there will be a very small number of children for whom exceptional social or medical circumstances will apply which will warrant a placement at a particular school. There are two categories under exceptional circumstances:

- a) Children with a serious or life-threatening medical condition or disability, or children where there are sensitive and/or serious individual and/or family circumstances that make attendance at Fullbrook School essential, can be considered under the exceptional circumstances criteria. A case should be provided which demonstrates clearly why you feel it is essential for your child to attend Fullbrook School, and why no other school can meet your child's needs. In the case of a medical condition or disability, this should be stated on the application form and can only be considered if substantive medical evidence from a professional such as a doctor and/or hospital consultant is attached and for other circumstances, evidence from a social worker, health visitor, housing officer, the police or probation officer. Please note that a letter from a GP will not normally be deemed sufficient evidence. If there are sensitive and/or serious individual and/or family

circumstances, these should be stated at the time of application. Substantive evidence, such as a report from a support service, must be provided.

Common medical conditions and allergies can usually be supported in all mainstream schools, therefore priority under a school's exceptional circumstances criterion would not normally be given for these. In addition, routine child minding arrangements will not normally be considered to be an exceptional circumstance for placement at a particular school.

- b) Children who were previously in state care **outside of England**, and have ceased to be in state care as a result of being adopted, may be considered under this criterion. A child will be regarded as having been in state care **outside of England** if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Evidence will need to be provided to demonstrate that the child was in state care **outside of England** and left that care as a result of being adopted.

Providing evidence does not guarantee that a child will be given priority at Fullbrook School and in each case a decision will be based on the merits of the case and whether the evidence demonstrates that a placement should be made at Fullbrook School above any other.

Places may be allocated under this criterion when places are first offered at Fullbrook School and the Local Authority may also ask Fullbrook School to admit over their Published Admission Number at other times under this criterion.

3. Siblings

A sibling will be considered to be a brother or sister (that is, another child of the same parents, whether living at the same address or not), a half-brother or half-sister or a step-brother or step-sister or an adoptive or foster sibling, living as part of the same family unit, at the same address.

A child will be given sibling priority if they have a sibling at Fullbrook School at the time of the child's admission. For the initial intake to the school a child will be given priority for admission only if their sibling will be at Fullbrook School in September 2020. This will apply both at the initial allocation of places and also when prioritising the waiting list. Giving sibling priority has the effect of maximizing the opportunity for children in the same family to be educated at Fullbrook School.

4. Children of Staff

Priority is given to the children of staff where the member of staff has been employed at the school for more than two years at the time at which the application for admission to the school is made. The member of staff must complete the Supplementary Information Form attached to this policy.

5. Children living within the Admission Area

A map defining this area is available for inspection at the school, as set by Ordnance Survey.

6. Children who live outside the Admission Area

Children who live outside the Admission Area and, at the time of the application are attending Byfleet Primary School or Ottershaw C of E Junior School or New Haw Junior School or Pyrford C of E Primary School or St Mary's School (Byfleet) or West Byfleet Junior School.

7. Any Other Applicant

Remaining places will be offered on the basis of nearness to the school measured in a straight line from the address point of the student's home, as set by Ordnance Survey to the school's front gate. This is calculated using the Admission & Transport Team's Geographical Information System.

In the case of oversubscription in any of the categories 1 – 5, priority will be given to those children who live nearest the school measured by a straight line drawn on the map, as set by Ordnance Survey, from the school front gate to the child's home. This is calculated using a bespoke Fullbrook Geographical Information System. If distances measure the same for more than one applicant, lots will be drawn.

In the case of oversubscription in any of the categories 6 – 7, priority will be given to those children who live nearest the school's Admission Area measured by a straight line drawn on the map from the address point of the child's house to the nearest point on the edge of the Admission Area.

ADDITIONAL INFORMATION

Home Address

The home address of the child excludes any business, relative or childminder's address and must be the child's normal place of residence. In the case of formal equal shared custody, it will be up to the parents to agree which address to use. In other cases it is where the child spends most of their time. We will not generally accept a temporary address if the main carer of the child still possesses a property that has previously been used as a home address, nor will we accept a temporary address if we believe it has been used solely or mainly to obtain a school place when an alternative address is still available to that child. All distances will be measured by the computerised Geographical Information System maintained by Surrey's Admissions and Transport Team.

The address to be used for the initial allocation of a place for Year 7 will be the child's address at the closing date for application. Changes of address may be considered if there are exceptional reasons behind the change, such as if a family has just moved into the area. The address to be used for waiting lists, after the initial allocation, will be the child's current address. Any offer of a place on the basis of address is conditional upon the child living at the appropriate address on the relevant date. Parents have a responsibility to notify Surrey County Council and Fullbrook School of any change of address.

Tie Breaker

Where two or more children share a priority for a place when using distance as a tie breaker, for children in the admissions area (distance to school) and children outside the admissions area (distance to catchment boundary), Fullbrook School will draw lots to determine which child should be given priority.

In the case of multiple births, where children are ranked consecutively in their order of priority for a place and there are not sufficient vacancies remaining for each of them, wherever it is logistically possible, each child will be offered a place. Where it is not logistically possible to offer each child a place the child(ren) to be offered the last remaining place(s) will be determined by their rank position.

Waiting Lists

Where there are more applicants than places available, waiting lists will operate for each year group according to the oversubscription criteria shown for Fullbrook School and without regard to the date the application was received or when a child's name was added to the waiting list.

Waiting lists for the initial intake to Fullbrook School will be maintained throughout the 2020/21 school year.

After the end of the summer term, parents whose children are not already on the waiting list, but who wish them to be so must apply for in-year admission via the In Year Application Form available on Surrey Admissions website at www.surreycc.gov.uk/schools-and-learning/schools/admissions/in-year

Waiting lists for all other year groups will be cancelled at the end of each academic year.

Children of Staff

The child of a member of staff who does not qualify for priority admission, because the member of staff joined the school less than two years before the admissions deadline, will have priority on the waiting list from the time when their parent has been employed at the school for two years or more.

Out of Year Group requests

Applicants may choose to seek a place outside their child's chronological (correct) year group. Decisions will be made on the basis of the circumstances of each case and what is in the best interests of the child concerned.

Applicants who are applying for their child to have a decelerated entry to school, i.e. to start later than other children in their chronological age group, must initially apply for a school place in accordance with the deadlines that apply for their child's chronological age. If, in liaison with the Principal, governors agree for the child to have a decelerated entry to the school the place cannot be deferred and instead the applicant will be invited to apply again in the following year for the decelerated cohort.

Applicants who are applying for their child to have an accelerated entry to school, i.e. to start earlier than other children in their chronological age group, must initially apply for a school place at the same time that other families are applying for that cohort. If, in liaison with the Principal, governors agree for the child to have an accelerated entry to the school, the application will be processed. If it is not agreed for the child to have an accelerated entry to the school, the applicant will be invited to apply again in the following year for the correct cohort.

Applicants must state clearly why they feel admission to a different year group is in the child's best interest and provide what evidence they have to support this. More information on educating children out of their chronological year group and the process for making such requests is available at www.surreycc.gov.uk/admissions.

In Year Admissions

The following applications will be treated as In Year Admissions during 2020/21:

Applications after 1 September 2020 for admission into Year 7

All other applications for admission to Years 8 to 11

In Year applications for Fullbrook must be made via Surrey Admissions. All the information is on their website at www.surreycc.gov.uk/schools-and-learning/schools/admissions/in-year

Where there are more applications than places available, each application will be ranked in accordance with the published oversubscription criteria for Fullbrook School.

As provided in the Government Code of Practice on Special Educational Needs, children having a "Statement" or EHCP will, if the School can meet the need be admitted to one of the 240 places after the appropriate discussions with the parents and local authority. For such children, their secondary placement is normally discussed at their Year 6 "Annual Review" in their Primary or Special School. The only grounds for the school refusing an application is if the child's admission would be incompatible with the efficient education of other students or use of resources or if the school is unsuitable for the age, ability, aptitude or SEN of the child.
