# How to download your Creative Cloud apps

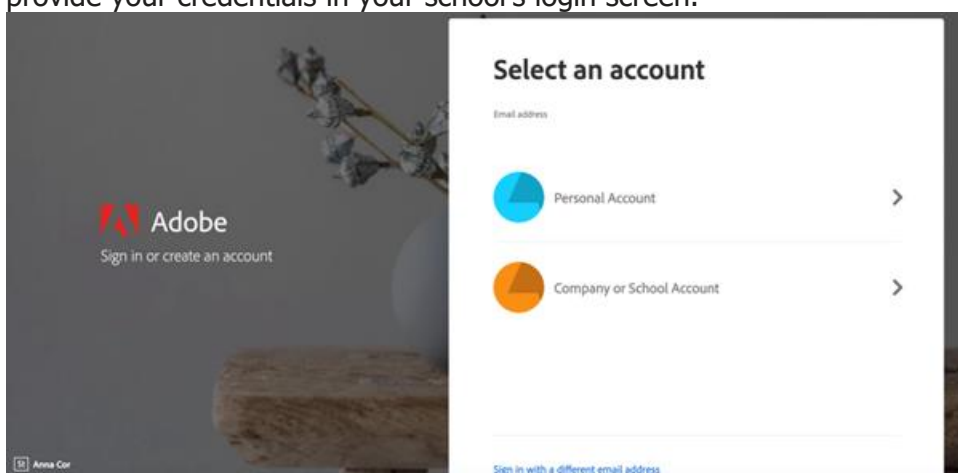

Dear Students & Faculty,

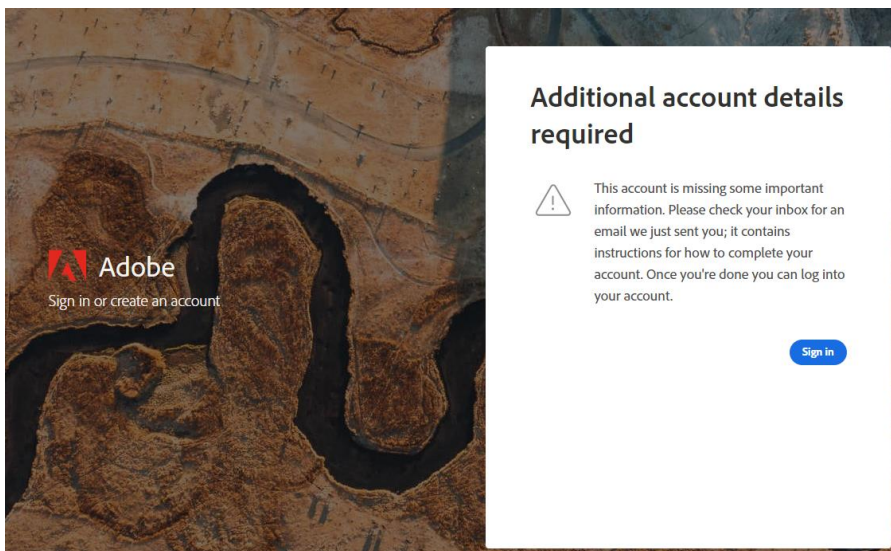

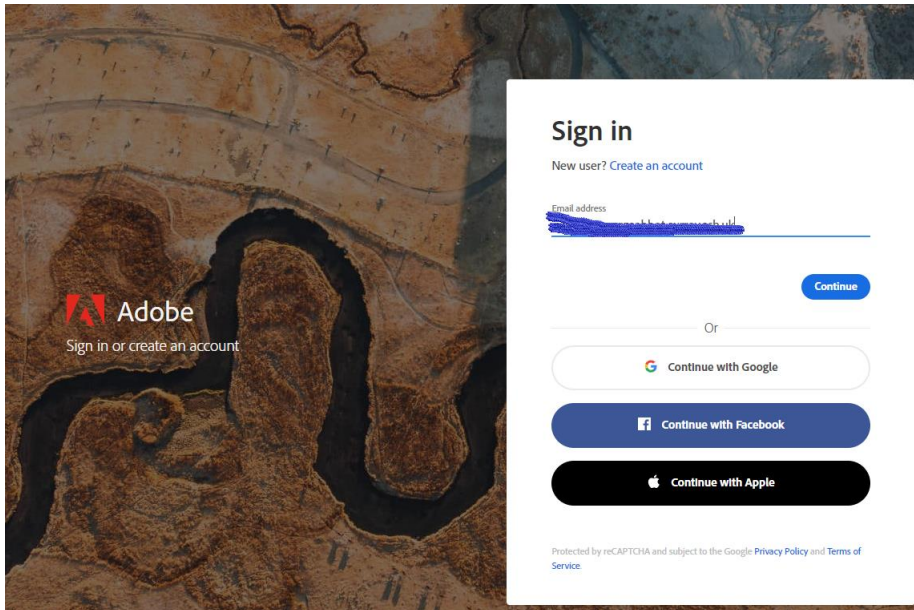

As a result of campus closure, student access to Adobe Creative Cloud in labs and classrooms is not available. Adobe has provided temporary at-home access for impacted students and faculty, so that they can continue their work remotely. Please follow the instructions below to enable access to Creative Cloud Desktop Apps on your personal device.

- 1) Sign in to [creativecloud.adobe.com/apps](https://creativecloud.adobe.com/apps), then click either **Download** or **Install** for the app you want to install.
  1. Visit <https://creativecloud.adobe.com> and use your school credentials to sign in.

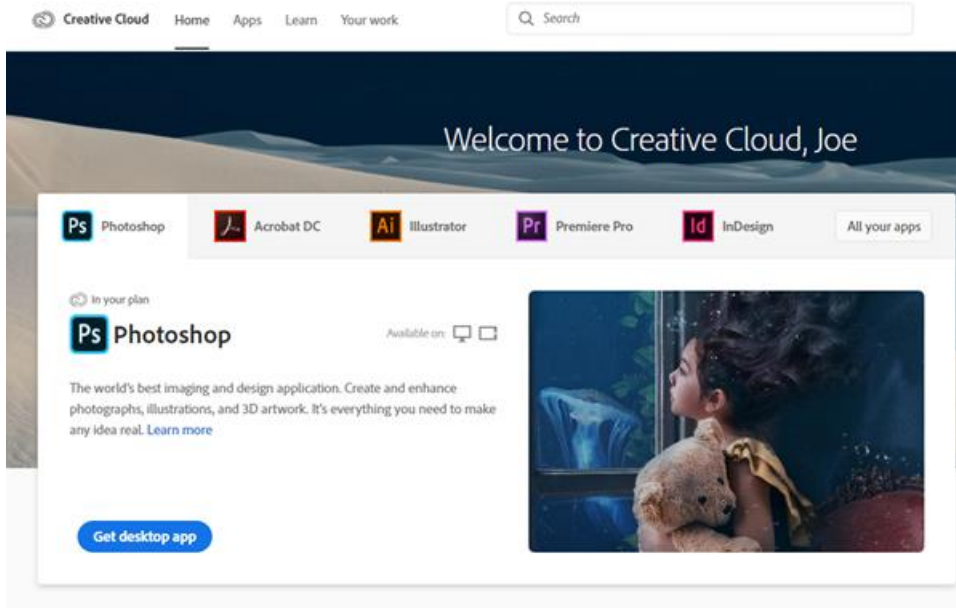

2. If prompted, select Company or School Account and then enter your password. Or provide your credentials in your school's login screen.

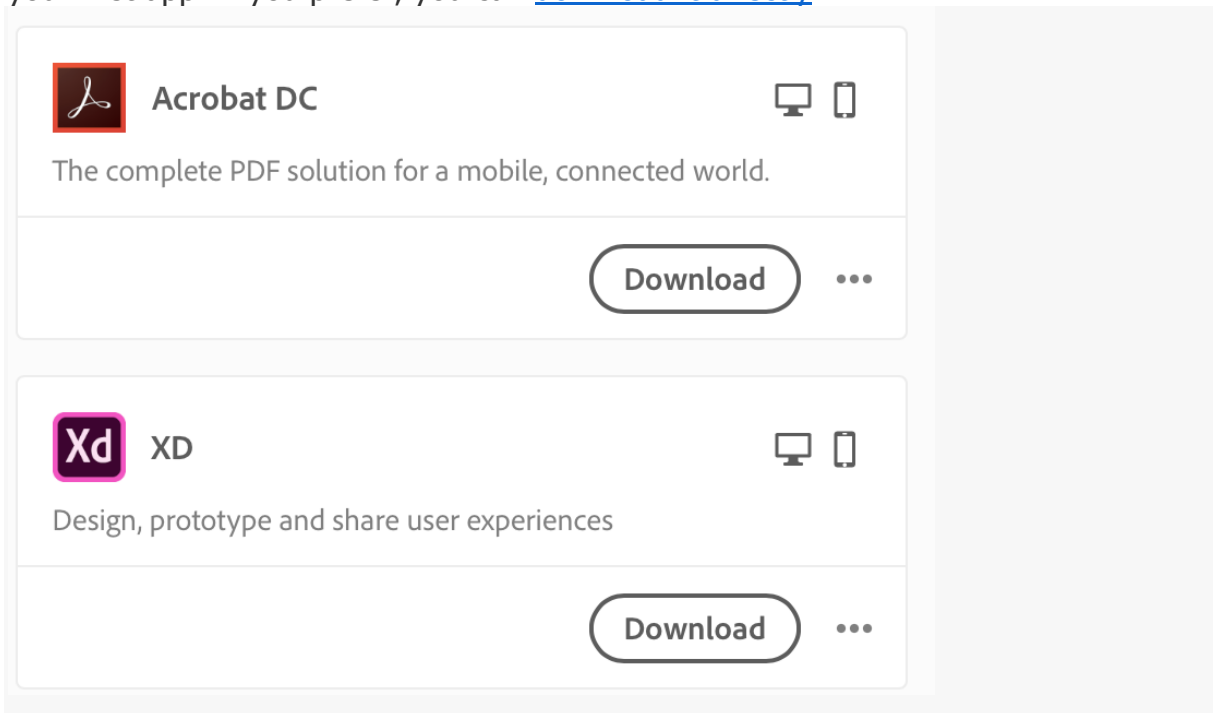

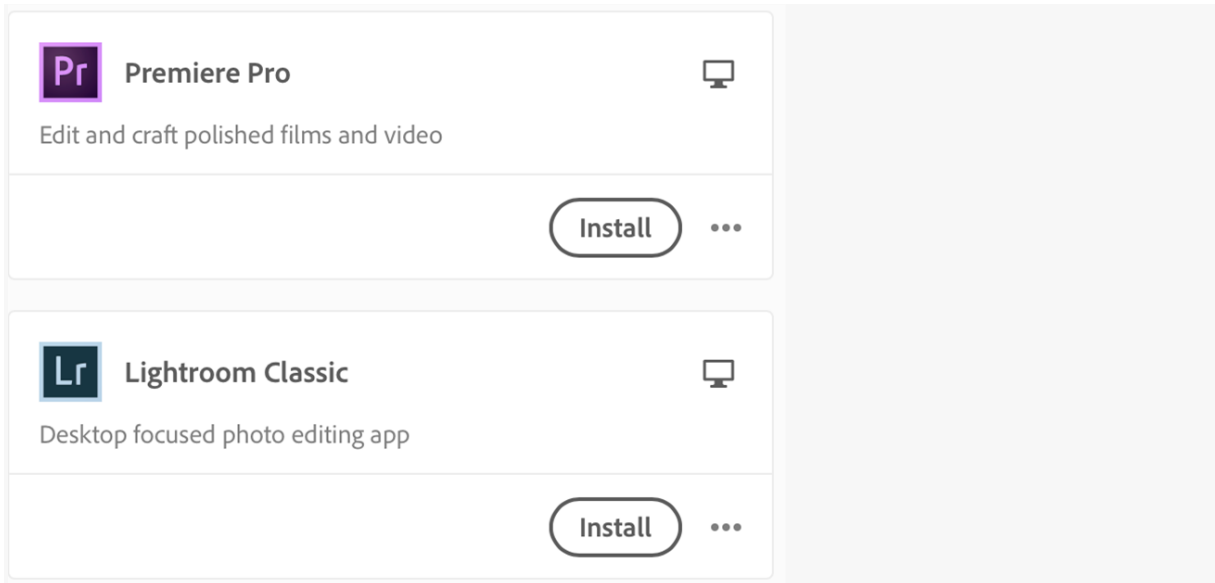

3. From the Creative Cloud website, browse for and download your desired app. Click **Apps** on the top of the page to view all apps.

 **Looking for the Creative Cloud desktop app?** It installs automatically with your first app. If you prefer, you can [download it directly](#).

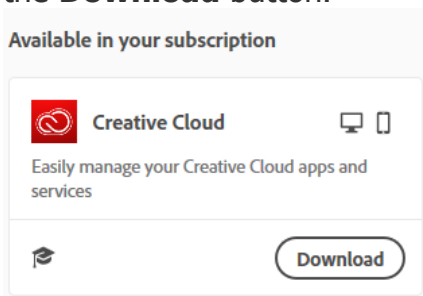

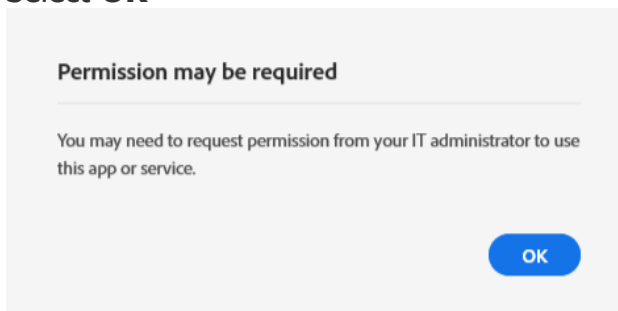

2) Follow the onscreen instructions to complete your installation.

**a) To download Adobe Creative cloud on a pc**
