

SAM Learning | Student Guide

Type 'SAMLearning.com' into your internet browser, and you should be looking at something like this:

Click **LOGIN** in the top right, and you will be presented with this login screen:

Type in your Centre ID, which is [GU2KC2](#)

Now, type in your user ID. It will be your [date of birth](#), followed by your [initials](#). For example: John Smith, born on the 1st of February, 2003 would have a user ID of [010203JS](#)

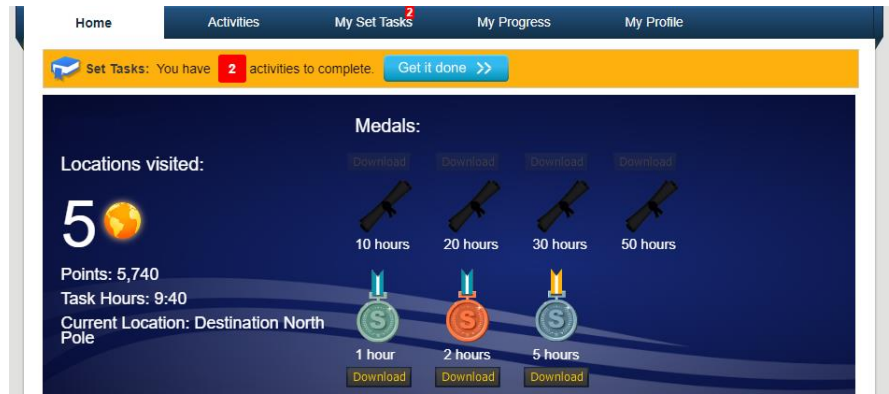

Your password is the same as your user ID

If you cannot log in, or have forgotten your User ID, please email passwordreset@gepacademies.com and follow the instructions you receive.

Once you are into SAM Learning, you have number of tabs:

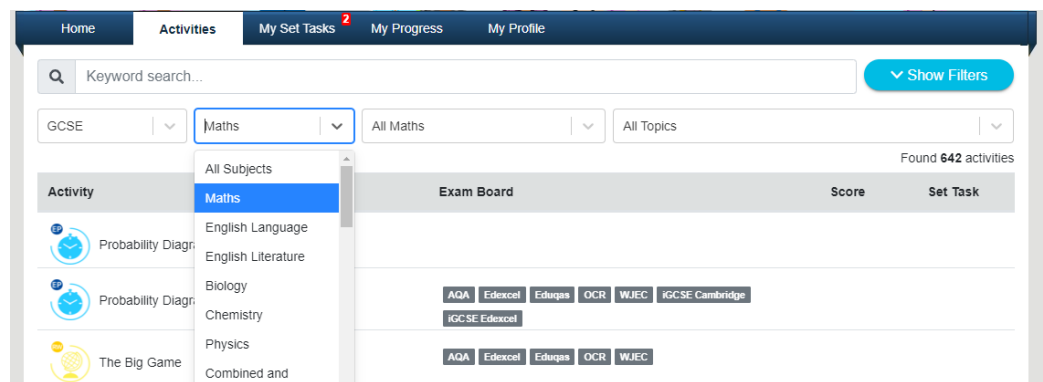

Home:

This is where you can see your achievements throughout SAM Learning at a glance, as well as reminders of work still outstanding.

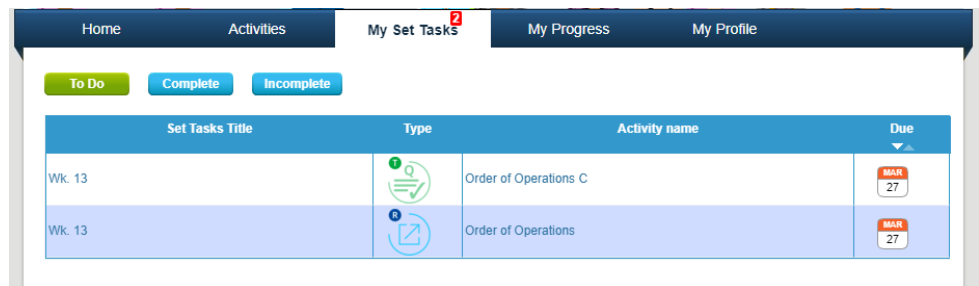

Activities:

Search for self-directed learning activities, by keystone, and subject. This will be your most commonly used tab along with:

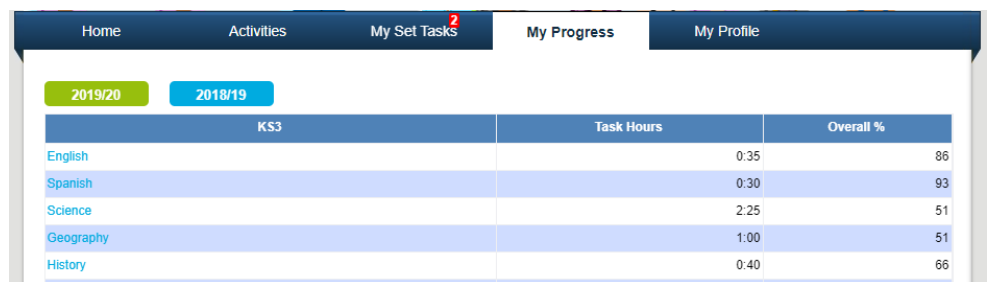

My Set Tasks:

Here, you will pick up work set for you by your subject teachers, and complete it.

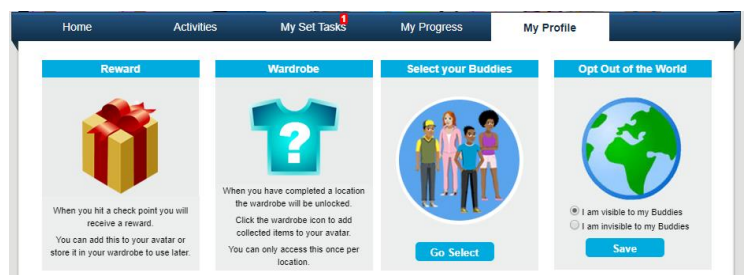

My Progress

This tab displays your current progress through the academic year, by subject.

My Profile

This is where you can customize your SAM Learning experience, and truly make it your own.

Process for collecting work

When looking at the My Set Tasks tab, you will be able to see the work your teachers have set for you in the following sections:

To Do

Work that you have been set, but have not started.

Complete

Work that you have been set, and completed.

Incomplete

Work that you have started, but not yet completed.

Simply click on the tab you want, and then click on the item of work you want to do. This will take you to the work page, and you can get on.
